Akashdeep

Software Developer | React | NodeJS | Android

📞 +91-78889-29889   @ akashdeep.work73@gmail.com   📍 Dhariwal, Gurdaspur, PB-143519, India

SUMMARY

Software Developer with 2.6 years of experience in developing web and mobile applications using Android (Kotlin) and MERN stack. Hands-on experience in building user-centric E-commerce and Social Media platforms. Strong in frontend development and cross-platform solutions, with a keen interest in strengthening backend and cloud skills. Known for adaptability, problem-solving, and delivering clean, maintainable code.

EXPERIENCE

Software Developer

Napworks

📅 10/2023 - 07/2024   📍 Gurdaspur, India

Senior Software developer in the Mobile and web Development.

- Design, develop, and maintain scalable web/mobile applications using modern programming languages and frameworks.
- Collaborate with cross-functional teams to gather requirements, solve technical challenges, and deliver high-quality software solutions.
- Write clean, efficient, and well-documented code; participate in code reviews, debugging, and performance tuning.

Software Developer

Techbit Solutions Pvt. Ltd.

📅 09/2021 - 12/2022   📍 Mohali, India

Worked on the development and implementation of Web and Mobile Applications.

- Improved code quality by 30% and reduced bug incidents by 25% by executing a new code review process.
- Delivered a critical project within a 4-week deadline, collaborating with 5 cross-functional teams, earning management recognition.
- Increased web application user satisfaction by 20% and reduced page load time by 1.5 seconds through performance optimizations.

Software Developer

Bhanguz

📅 02/2021 - 07/2022   📍 Mohali, India

Worked on the development and optimization of development processes for web and mobile applications.

- Developed and implemented new software features, resulting in improvement in application performance and user experience.
- Collaborated with cross-functional teams to troubleshoot and resolve technical issues, ensuring seamless software operation.
- Contributed to the design and development of a new module, leading to overall system efficiency and productivity.

EDUCATION

B.Tech in Computer Science Engineering

Beant College of Engineering and Technology

📅 2015 - 2019   📍 Gurdaspur, Punjab

12th-grade education

PSEB

📅 2014 - 2015   📍 Gurdaspur, Punjab

SKILLS

ReactJS   MERN   NodeJS   Python

Android   JAVA   Kotlin   Typescript

ExpressJS   MongoDB   Django

STRENGTHS

⭐ **Problem Solving**
Successfully led a team to identify and rectify bottlenecks in Apps, increasing efficiency.

🚩 **Innovation**
Designed and applied an automated solution that optimized development workflow and significantly improving team productivity.

KEY ACHIEVEMENTS

💎 **Enhanced Frontend Speed**
Refactored React components; cut load time by 40%, improved cross-device experience.

💎 **Offline Data Support**
Implemented offline caching with sync, improving app reliability by 35%.
